Subject: Request for Extension on Assignment Deadline

Dear Professor,

I hope you are doing well.

I am writing to request a brief extension for the assignment due on 30 March 2026. Unfortunately, I had a severe migraine which affected my ability to work on the assignment, due to which I was not able to complete by the assigned date of submission.

I would greatly appreciate it if you could allow me an extension until 1 April 2026. This additional time would help me submit more thoughtful and complete work.

Thank you for your understanding and consideration.

Yours sincerely,
Nirali Sharma
